Professor of Medicine
Cornell University Medical College

DONALD KAYE

Assistant Professor of Medicine
Cornell University Medical College

JOHN C. RIBBLE

Assistant Professor of Medicine
Cornell University Medical College

*DATA ON INTERNATIONAL CONGRESSES
REQUESTED BY LIBRARY*

Fellows are reminded that the Library is eager to acquire the publications of all international congresses, their programs, bulletins, proceedings and reports. Since these are often hard to obtain, it would help a great deal if Fellows attending such congresses would turn over to the Library any papers they themselves do not wish to keep. These contributions would be greatly appreciated.

GERTRUDE L. ANNAN
